Sir,

With reference to G O No 5198/Edn 112-07-2 dated the 4th December 1907 inquiring how the proposal to raise the grant of Rs 7/- now paid to the London mission Girls School at Dommasandra to Rs 12/- can be justified when the establishment cost of the School is only Rs 19/- per mensem, I have the honour to inform you that the manager of the School, Rev G Welkins informs me that the monthly cost of the London mission Girls' School at Dommasandra last year was Rs 22, that he has incurred additional expenses in providing furniture to the School and the present grant of Rs 7/-

G.L No 2 The Commissioner for Coorgs

is insufficient to maintain the present effeciency of the school any longer The mission supplies books, slates to pupils and has to provide for prizes He therefore begs that as the Government could not entertain his request for an additional grant of Rs 5 made last year, and in view of the excellent condition of the school both in respect of attendance and teaching staff, the present proposal of transfer of grant may be kindly sanctioned I request that the proposal which — entails no further cost to Government may be sanctioned as the school is in a good condition and deserves the increase recommended
